

Research Topic Survey
Christmas Tree Promotion Board
Please respond by April 18, 2022

Please take time to answer questions below. Your input on the direction of CTPB funded research is valuable and appreciated. Email to: research@christmastreepromotionboard.org

Name _____

Company Name _____ State _____

Best Contact method _____

Check all that apply:

_____ I am a wholesale Christmas tree grower

_____ I am a retail Christmas tree grower

_____ I am a choose and cut grower

1. How many years have you raised Christmas trees?

2. How many years have you sold Christmas trees?

3. How many seedlings/transplants will you plant in 2022?

4. What species of Christmas trees will you plant in 2022?

5. What was your seedling/transplant survival rate for 2021 plantings? And did it vary by species?

6. What is the most important issue impacting Christmas tree production on your farm?

The information you provide will be used by the CTPB for statistical purposes only. Your individual responses will be kept confidential under 7 CFR 1214.72. Response to this survey is voluntary.
